The Board of Pharmacy requires an inspection of any pharmacy facility located within the State of Georgia prior to the issuance of a license. The request for the inspection should be made with the Georgia Drugs and Narcotics Agency (GDNA) by the applicant after submitting the completed application to the Board office. You may contact GDNA at (404) 656-5100 or (800) 656-6568. Do not contact GDNA for an inspection until you are notified by the Board that your application has been processed; GDNA will not inspect or set up an inspection without a processed application.

Allow a minimum of 25 days for the processing of the application.

Any documents submitted as an attachment to the application must also be signed by the owner, partner, or one of the executive officers of the corporation and notarized.

The Board staff cannot provide legal advice, interpretations of the laws and rules, and cannot advise you as to which type of license your business should apply for; you will need to seek private legal counsel to assist you regarding these matters.

Please refer to Georgia law and Board rules regarding the requirements for the license type for which you are applying. These may be found on the Board’s website at: www.gbp.georgia.gov.

Georgia does not license out of state retail pharmacies.

A GDNA inspection is **not** required for out of state facilities (i.e., wholesalers), however, you will still need to contact GDNA at 404-656-5100 to further the process of your application. GDNA will process the personal certification forms that wholesalers and reverse distributors submit with their applications.

**Oxygen** wholesalers who provide products **directly** to the patient/end user are **not required to be licensed in Georgia**.
