Open Session

Vice-Chairperson Faulk established that a quorum was present and called the meeting to order at 10:01 a.m.

Jim Bracewell made a motion to adopt emergency Rule 480-34-0.28-.07 Hallucinogens. Bill Prather seconded and the Board voted unanimously in favor of the motion.

480-34-0.28-.07 Hallucinogens.

(1) This rule was adopted to protect the health, safety, and welfare of the public. This rule places additional newly identified compounds, including any material, compound, mixture, or preparation which contains any quantity of the following hallucinogenic substances, their salts, isomers (whether optical, position, or geometrics), and salts of isomers under Schedule I of the Georgia Controlled Substances Act, Section 16-13-25(3) as follows:

(FFFF) methyl (S)-2-(1-(cyclohexylmethyl)-1H-indole-3-carboxamido)-3,3-dimethylbutanoate (MDMB-CHMICA)

(2) This rule is based on the following findings of the Board:

(a) that hallucinogens have an extremely high potential for abuse;

(b) that scientific evidence and scientific knowledge of the pharmacological effects of these compounds demonstrate that the public is at extreme risk if they are not regulated as controlled substances;

(c) that the pattern of abuse of these compounds and the scope and significance of that abuse support regulation;

(d) that there exists an imminent peril to the public health and welfare with regard to the abuse of these compounds;

(e) that these compounds have the same risk to the public health of citizens of the State of Georgia as other substances already contained in Schedule I under the Controlled Substances Act; and

(f) that these compounds have no known precursor already scheduled under the Act.

A motion was made by Bob Warnock, seconded by Vicki Arnold, and the Board voted that pursuant to O.C.G.A. Section 26-4-28(a)(9), the Board has the right to seize any drugs and devices found by the Board to constitute an imminent danger to public health and welfare. Pursuant to O.C.G.A. Section 26-3-4(a), any duly authorized agent of the Board who finds or has probable cause to believe any drug is adulterated or misbranded as to be dangerous or fraudulent may tag the article to detain or embargo the article. If the article is unsound or unsafe, O.C.G.A. Section 26-3-4(d)

authorizes the Board or its authorized agents to condemn or destroy the article. The agents of the Georgia Drugs and Narcotics Agency (“GDNA”) are authorized agents of the Board. O.C.G.A. Section 26-4-29(b)(5) authorizes agents of GDNA to seize and take possession of all articles of contraband. O.C.G.A. Section 26-4-29(b)(7) provides that the GDNA shall perform such other duties as the Board may direct.

In consideration of these Code sections and the danger to public health, safety and welfare, the Board is directing GDNA to take the lead in enforcement of Emergency Rule 480-34-0.28-.07 and is directing that GDNA designate, on behalf of the Board, POST certified officers who are members of state and local law enforcement agencies to act as Board agents to: (1) seize drugs, compounds and/or articles identified in Emergency Rule 480-34-0.28-.07 on behalf of the Board and to maintain such seized drugs, compounds and/or articles within their evidence rooms, or (2) tag adulterated or misbranded drugs identified in Emergency Rule 480-34-0.28-.07 to detain or embargo such drugs. Any law enforcement agencies operating on behalf in the Board in enforcing Emergency Rule 480-34-0.28-.07 shall provide GDNA with notification of any seizure, detention or embargo. Finally, GDNA is authorized to utilize in enforcing Emergency Rule 480-34-0.28-.07 any state agency identified in O.C.G.A. Section 26-3-18.

There being no further business to discuss, the meeting was adjourned at 10:05 a.m.

The next scheduled meeting of the Georgia Board of Pharmacy is scheduled for Wednesday, September 16, 2015 at 9:00 a.m. at the Department of Community Health’s office located at 2 Peachtree Street, N.W., 36th Floor, Atlanta, GA 30303.
