Young Chang, Walgreens
Ed Rickert, Quarles & Brady/MedAvail
Sonny Lolly, MedAvail
Kallarin Mackey, GHA
Alan Payne
Sonya Nelson, Walmart
Stacy Burke, Publix
Mary Ann Langford
James Andrews, AHCS
Debbie Wolf, Healthcare Specialty Pharm Serv
Sandra Johnson, Healthcare Specialty Pharm Serv
Patricia Yeatts, MAG

Chairperson Miller established that a quorum was present and called the meeting to order at 9:10 a.m.

Bill Prather made a motion and Jim Bracewell seconded, and the Board voted to enter into **Executive Session** in accordance with O.C.G.A. § 43-1-19(h)(2) and §43-1-2(k) to deliberate and to receive information on applications, investigative reports and the Assistant Attorney General's report. Voting in favor of the motion were those present who included Vicki Arnold, Jim Bracewell, Mike Faulk, Laird Miller, Bill Prather and Bob Warnock.

Executive Session

Appearances

- S.L.P.
- K.C.P.
- S.M.
- D.L.
- A.H.P.I.

No votes were taken in Executive Session. Chairperson Miller declared the meeting back in Open Session.

Open Session

Chairperson Miller welcomed the visitors.

Appearance

Appearance by Edward Rickert and Sonny Lolly, MedAvail Technologies and ProCare Rx: Mr. Rickert presented new technology to the Board. He explained that The MedAvail Med Center is a patient-facing remote dispensing solution for prescriptions and over-the-counter medications. It provides private, confidential, real-time professional advice and counseling via a robust audio/video link at the request of a patient. He explained that this is very new technology.

Mr. Rickert stated that the MedAvail Med Center is a networked device that leverages the pharmacy management systems of the deploying pharmacy. Prescription adjudication and co-pay calculations are managed remotely by the practice management system.

Mr. Lolly explained the features of the machine to the Board. He stated a hi-fidelity hands-free stereo audio system, a scanner for ID and benefits card, two-way video, dispense bay, payment support with card reader and pin pad are just some of the features.

Mr. Rickert stated that the idea of this technology is to bring pharmacy to the patient and make it more accessible. The reason for their appearance is to inquire as to whether or not Georgia is willing to accept this type of technology.

Chairperson Miller suggested Mr. Rickert and Mr. Lolly review code section O.C.G.A. § 26-4-89, which prohibits the selling of drugs in vending machines, and stated that if Mr. Rickert and Mr. Lolly wanted to provide the Board with clarification as to how the information they presented is not a vending machine, to submit that information in writing to the Board and it will reconsider at a future date.

Public Hearing

Chairperson Miller called the public hearing to order at 1:00 p.m.

Rule 480-22-.03 Manner of Issuance of a Controlled Substance Prescription Drug Order.

No comments or written responses were received.

Rule 480-22-.04 Requirements of a Schedule II (C-II) Controlled Substance Prescription Drug Order.

No comments or written responses were received.

Rule 480-22-.12 Requirements of Prescription Drug Orders as Issued by a Physician's Assistant (PA) or an Advanced Practice Registered Nurse (APRN) Licensed to Practice in the State of Georgia.

No comments or written responses were received.

Rule 480-27-.02 Prescription Drug Order Requirements.

No comments or written responses were received.

Rule 480-34-.07 Hallucinogens.

No comments or written responses were received.

Jim Bracewell made a motion to adopt Rules 480-22-.03 Manner of Issuance of a Controlled Substance Prescription Drug Order, 480-22-.04 Requirements of a Schedule II (C-II) Controlled Substance Prescription Drug Order, 480-22-.12 Requirements of Prescription Drug Orders as Issued by a Physician's Assistant (PA) or an Advanced Practice Registered Nurse (APRN) Licensed to Practice in the State of Georgia, 480-27-.02 Prescription Drug Order Requirements, and 480-34-.07 Hallucinogens. Ms. Battle interjected that the record should reflect that the Board has considered the economic impact of all the rules at the time of posting. No further discussion was held. Bill Prather seconded and the Board voted unanimously in favor of the motion.

The hearing adjourned at 1:03 p.m.

Open Session

Approval of Minutes

Mike Faulk made a motion to approve the Public and Executive Session minutes for the June 10, 2015 meeting and the Public Session minutes for the June 30, 2015 Conference Call. Bob Warnock seconded and the Board voted, with the exception of Tony Moye who abstained, in favor of the motion.

Report of Licenses Issued

Tony Moye made a motion to ratify the list of issued licenses. Bob Warnock seconded and the Board voted unanimously in favor of the motion.

Petition for Rule Waiver from East Georgia Specialty Pharmacy

Tony Moye made a motion to grant the rule waiver petition, but to note in the response letter that the granting of the petition does not guarantee approval of the application. Bob Warnock seconded and the Board voted unanimously in favor of the motion.

Rule Waiver Petition from Aytu Pharmaceuticals, Inc. and Pharm D on Demand, Inc.

Tony Moyer made a motion to table the rule waiver petitions for further discussion in Executive Session. Bob Warnock seconded and the Board voted unanimously in favor of the motion.

Rule Waiver Petition from Peggy S. Davis

Bill Prather made a motion to deny the rule waiver petition. Discussion was held by Chairperson Miller who stated that he researched the test and it is a four part exam that can be taken three times without having to pay an additional fee. No further discussion was held. Jim Bracewell seconded and the Board voted unanimously in favor of the motion.

Correspondence from Michele Goodman

The Board considered this correspondence asking if a manufacturer of oxygen concentrators and liquid oxygen systems that is interested in manufacturing products in Georgia and distributing products to customers in Georgia needs to apply for and obtain a “pharmacy manufacturer” or other type of license or permit from the Board of Pharmacy. Rebekah Plowman, Jones Day, spoke to the Board on behalf of Ms. Goodman. Ms. Plowman stated that she is simply seeking guidance as to whether or not licensure is required. The Board informed Ms. Plowman that it is precluded from offering legal advice, opinions, or interpretations of the Georgia Laws and Rules and that she may wish to seek legal counsel for opinions and interpretations of the laws and rules.

Correspondence from Stephanie Kirkland, ElderCare Pharmacy

The Board considered this correspondence requesting clarification regarding “Karon’s Law”. The Board directed staff to respond to Ms. Kirkland by stating that the rules to which she cites do not apply to the law in which she is interested. The law in which she is interested requires the establishment of a pilot program by another state agency as well as the designation of certain pharmacies by another state agency. Since the Board is not aware of the establishment of any project or the designation of any pharmacies, the Board has not been able to draft the appropriate rules. For her general information, drugs that have been placed by a pharmacy in administration-ready blister packages where multiple drugs are grouped together for administration at the same time, would be considered adulterated and would not be available for reuse. The Board apologizes for being unable to provide more assistance at this time.

Correspondence from Uzo Onwuchekwa

The Board considered this correspondence regarding Medical Device Accessory Licensing. The Board directed staff to respond by stating that whether the distributor of medical device is required to be licensed is a matter of law and to refer to the definition of device in O.C.G.A. §§ 26-4-5(9) and 26-4-110(a). However, the Board cannot determine from the email whether this is applicable to their product/service as it appears that their service involves patient records and diagnostic information for physicians. It is suggested that they should submit an inquiry to the Georgia Composite Medical Board.

Correspondence from Stephanie Bledsoe, Houston Healthcare and Correspondence from John Hodgson, Troy Healthcare Solutions

The Board considered these two correspondences regarding security paper requirements. Jim Bracewell made a motion to post the Summary of Regulations Permitting EMR Generated Tamper Resistant Prescriptions, Originating on Plain Paper, for Use in Hardcopy Prescribing of Schedule II Drugs in the State of Georgia provided by Mr. Hodgson to the Board’s website. Vicki Arnold seconded and the Board voted unanimously in favor of the motion.

Correspondence from Werner Gutmann, PharmaCaribe, LLC

The Board considered this correspondence asking whether or not medical device manufacturers and distributors wanting to sell medical devices to pharmacies in Georgia are excluded from registration per

O.C.G.A. § 26-4-115. The Board directed staff to respond to Mr. Gutmann by stating that the Board is precluded from offering legal advice, opinions, or interpretations of the Georgia Laws and Rules and that he may wish to seek legal counsel for opinions and interpretations of the laws and rules.

Correspondence from Jim Sizemore

The Board considered this correspondence from Mr. Sizemore regarding the late renewal fee for a facility license. The Board directed staff to respond to Mr. Sizemore by informing him that the fee he was charged was the correct fee.

Correspondence from Krystyn Buddemeyer

The Board considered this correspondence regarding an exemption to the Competitive Bidding Implementation Contractor (CBIC) concerning enteral pumps and supplies. The Board directed staff to respond by stating that this matter is not within the Board’s purview and as such, it is unable to provide any additional information.

Correspondence from Ellen S. King, Director of Pharmacy, Memorial Hospital and Manor Pharmacy, PHRE006099

The Board considered this correspondence requesting the Board’s approval to continue to use its Class A mechanical pharmacy balance rather than purchase a new class I or II electronic balance as listed in the required equipment under Rule 480-11-.04. The Board directed staff to respond to Ms. King by stating that if the facility has a certified manual balance, it would be appropriate to use that.

Correspondence from Ray Henry, The Associated Press

The Board considered this correspondence requesting application information. Tony Moye made a motion to deny the request. Bill Prather seconded and the Board voted, with the exception of Jim Bracewell who abstained from the vote, in favor of the motion.

Executive Director’s Report Open Session – Tanja Battle

Ms. Battle asked the Board if Cornerstone Christian Correspondence School would be acceptable to the Board’s high school requirement for a pharmacy technician. The website for Cornerstone Christian Correspondence School states that it is privately accredited through The Accrediting Commission International (ACI) in Sarasota, Florida, the World’s Largest Non-Governmental Accrediting Agency. The Board recommended tabling this matter until the August meeting to allow for further research.

Miscellaneous

Mr. Bracewell commented that he was informed that this meeting would be the last meeting for Jimmy England, Walgreen’s. He thanked Mr. England, on behalf of the Board, for his attendance and input at Board meetings.

Vicki Arnold made a motion and Bill Prather seconded, and the Board voted to enter into **Executive Session** in accordance with O.C.G.A. § 43-1-19(h)(2) and §43-1-2(k) to deliberate and to receive information on applications, investigative reports and the Assistant Attorney General’s report. Voting in favor of the motion were those present who included Vicki Arnold, Jim Bracewell, Mike Faulk, Laird Miller, Bill Prather and Bob Warnock.

- R.M.P.
- June examination

Georgia Drugs and Narcotics Agency – Rick Allen

- Discussed latest PDMP reports.

No votes were taken in Executive Session. Chairperson Miller declared the meeting back in Open Session.

Open Session

The Board discussed sending a letter to Governor Nathan Deal regarding the forthcoming Memorandum of Understanding (MOU) with the Food and Drug Administration. The intent of the letter is to give the Governor information regarding various issues as he considers it.

Director Allen stated that the Board would need to schedule an emergency conference call to vote on a new compound GDNA has received information on. The Board agreed to schedule the call for Monday, July 20, 2015 at 1:00 p.m.

Bill Prather made a motion for the Board to take the following actions:

Appearances

S.L.P.	Denied Pharmacy Technician	Overturn denial and approve for registration
K.C.P.	Denied Non-Resident Pharmacy	Overturn denial and approve for registration
