**Rule 480-19-.02:** Mr. Lurey made a motion to **post** Board Rule 480-19-.02 Exempt Schedule V Controlled Substances.

The Board voted that the rule change and the formulation and adoption of this rule does not impose excessive regulatory cost on any licensee and any cost to comply with the proposed rule cannot be reduced by a less expensive alternative that fully accomplishes the objectives as provided by the Attorney General's office.

It is not legal or feasible to meet the objectives of O.C.G.A. §§ 26-4-27, 26-4-28, and 26-4-115 to adopt or implement differing actions for business as listed in O.C.G.A. 50-13-4(3)(A), (B), (C), and (D). The formulation and adoption of this rule will impact every licensee in the same manner and each licensee is independently licensed, owned and operated and dominate the field of Pharmacy. (Attachment 1)
